Good health. Good business. Great schools.

Plan Guidelines

MESSA dental plans are underwritten and administered by Delta Dental of Michigan, a non-profit dental care corporation known for its high quality dental programs. Delta Dental contracts with dentists throughout the U.S. to provide high quality care and 90% of Michigan dentists are in the Delta Dental provider network. MESSA members can easily locate Delta Dental contracting providers by visiting www.messa.org and using the provider directory search provided by Delta Dental. The following chart describes the four classes of dental benefits and provides guidelines to assist in designing a group's dental benefit program:
