# NTN Graduate Profile

The Why, How, What

New Tech Network

## The Why:

To ensure that all students develop the knowledge, skills, and attributes they need to thrive in post-secondary education, careers, and civic life.

## The How:

**Aware** – Students will understand post-secondary options and see the importance of college

**Eligible** – Students will complete requirements necessary for college entrance

**Prepared** – Students will graduate from high school with the skills and dispositions necessary for further education without remediation

## The What:

By developing, applying, and demonstrating College & Career Ready Knowledge, Skills, and Attributes including:

- Disciplinary Knowledge & Thinking
- Written Communication
- Oral Communication
- Collaboration
- Agency

## Through...

- Project-Based Learning
- College Ready Assessments
- Presentations of Learning
- Community Service & Partnerships
- Internships
- Student Voice-Led Advisory Program
